

Trek Part

Trek Part - TREK Cleaning Machines is a machine maker who is passionate about the cleaning business. The company's founders, Bob O'Hara, Jim Hartsock and Chris Knwolton, have over 60 years combined experience with successfully developing, marketing, manufacturing, designing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their customers and are dedicated to offering new design concepts and top quality to be able to meet the diverse needs of their clients.

TREK Cleaning Machines always offers fresh design concepts as shown in their product development. They enjoy offering products which energize both their partners and their dealers and provide production gains to their customers.

The TREK team of workers enjoys new tasks and new challenges. They are very proud to introduce its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the comprehension of operators' skills and requirements combined with their knowledge of cleaning applications, together with owners' strong desire to significantly lower expense through productivity gains.

The personnel at TREK and their dealer-partners are strongly devoted to having both parts and technical support accessible when it is required. Their high service devotion is one of the core values in their customer service. Keeping their customers' cleaning equipment ready and working everyday is top priority. The company's top of the line technology delivers dependable equipment that eventually lowers your cost of cleaning. The product, the price and the service all work as one to be able to make them the leader in the industry.
