

Advance-Nilfisk Part

Advance-Nilfisk Part - Imagine how tiresome it would actually be to clean up your very own home right after throwing a large party, without assistance from cleaning machines. Before, the time upholstery and carpets had the dust beat out of them by hand; brooms, cleaning cloths and brushes were the leading cleaning supplies back then.

P.A. Fisker, the man who founded Nilfisk-Advance, was actually an electrical engineer who loved working with electrical motors. Establishing the business in the year 1906, he started to produce motors to drive machine tools, coffee grinders, drills and fans. Mr. Fisker's dream from the beginning was to own an international company advertising goods worldwide.

The Nilfisk C1 was a tremendous breakthrough for the cleaning business. This ground breaking vacuum cleaner, invented by Mr. Fisker, weighed only 17.5 kilos and can be operated by one individual. This creation came in a time where numerous cleaning equipment were massive and required at least 4 operators, thus, the Nilfisk C1 transformed everything and developed the manner we clean forever. The mastermind behind these very first cleaning equipment remains unparalleled. Cleaning machines provide a brilliant solution to an ongoing problem; stuff get filthy and need to be cleaned frequently, without a lot of effort.

Gradually but steadily, Nilfisk-Advance expanded through the decades. During the nineteen eighties, this growth actually happened when the company became a part of the NKT Group. Their new owners' ambition and motivation made Nilfisk-Advance take a huge leap forward within the trade, trying to be one of the leading global players in the market of professional cleaning machines. Nilfisk-Advance is presently located in all parts of the globe due to steadily obtaining many small companies in order to expand their product selection and presence in new markets. They are really proud to offer a range of cleaning solutions to suit every requirement.
